PROFILE

Information Technology student at DCCP with a strong interest in Full Stack Development and modern web technologies. I build responsive, visually engaging websites using React, Tailwind CSS and modern web tools. I am always eager to learn new things and create innovative digital solutions.

EDUCATION

Bachelor of Science in Information Technology (in progress)
Data Center College of the Philippines (DCCP)

TECHNICAL SKILLS

- **Front End:** React, JavaScript, Next.js, Tailwind CSS, Framer Motion
- **Back End:** Node.js, RESTful API development (authentication, product management, transactions)
- **Design:** Figma, UI component libraries
- **Deployment:** Vercel

PROJECTS

Portfolio v2
Personal portfolio website built with React, Next.js and Tailwind CSS, deployed on Vercel.

E-Commerce API
RESTful API for an e-commerce platform with authentication, product management and transactions.

UI Design System
Reusable, consistent UI component library for web applications, designed in Figma.

Simple To-Do List
Clean task manager built with React, Tailwind CSS and Framer Motion. Users can add, complete and delete tasks.

EXPERIENCE AND ACHIEVEMENTS

- 3 years of continuous learning and hands-on practice in web development
- 13 web projects completed
- 13 certificates earned validating professional skills

PERSONAL MOTTO

"Whoever strives shall succeed."
